Kata Kunci: Internalisasi Nilai, Internalisasi Nilai Khidmah, Himpunan Alumni Santri Lirboyo

Khidmah menjadi bagian yang sangat penting bagi santri dan alumni kepada seorang guru atau kiai, akan tetapi pada realitanya, tidak semua santri dan alumni Pondok Pesantren memiliki nilai serta prinsip tentang *khidmah* kepada para *masyāyikh* (Guru), masih banyak sekali alumni yang telah menimba ilmu di Pondok Pesantren ketika ia pulang ke kampung halamannya merasa cukup dan tidak ada niatan serta tindakan untuk tetap menjalin silaturahmi serta rabithah terhadap guru-gurunya yang notabeneanya dengan adanya rabithah serta silaturahmi tersebut itu merupakan sebuah perwujudan rasa *syūkūr*, *ta’dhīm* serta *ikhtirāman* kepada para *masyāyikh* atas segala sesuatu yang telah ia dapatkan di Pondok Pesantren dimana ia mendapatkan sebuah ilmu sebagai bekal kehidupan di dunia maupun bekal akhiratnya.

Berdasarkan latar belakang tersebut, peneliti mengajukan pertanyaan penelitian sebagai berikut: (1) Bagaimana *Transformasi* Nilai *Khidmah* Himpunan Alumni Santri Lirboyo (HIMASAL) Provinsi Lampung? (2) Bagaimana *Transaksi* Nilai *Khidmah* Himpunan Alumni Santri Lirboyo (HIMASAL) Provinsi Lampung? (3) Bagaimana *Transinternalisasi* Nilai *Khidmah* Himpunan Alumni Santri Lirboyo (HIMASAL) Provinsi Lampung?.

Pada penelitian Tesis ini, penulis menggunakan penelitian lapangan (field Research) bersifat Deskriptif-Kualitatif dengan pendekatan Etnografi. Sumber data yang digunakan meliputi sumber primer yakni hasil wawancara secara mendalam dengan informan yaitu segenap HIMASAL Lampung, serta dengan observasi, wawancara dan dokumentasi. Sedangkan teknik analisis data menggunakan reduksi data, penyajian data dan verifikasi data.

Hasil dari penelitian yang dilakukan, yaitu: (1) Transformasi nilai *khidmah* HIMASAL Provinsi Lampung mengalami perubahan dan inovasi Pasca Pendidikan Pesantren berbeda ketika masih berada di Pondok Pesantren (2) Transaksi nilai *khidmah* HIMASAL Provinsi Lampung yaitu Motivasi, Pergaulan dan Realisasi Implikasi. (3) Transinternalisasi nilai *khidmah* HIMASAL Provinsi Lampung adalah dengan pembiasaan, Peneladanan, sambung, dan merasa butuh terhadap *khidmah*.

ABSTRACT

NUR KHOZIN, NPM. 2107001391. THESIS. 2023: “*Internalization of the Khidmah of the Lirboyo Santri Alumni Association (HIMASAL) of Lampung Province*”. Keywords: Value Internalization, Internalization of Servant Values, Lirboyo Santri Alumni Association

Servant is a very important part for students and alumni to a teacher or kiai, but in reality, not all students and alumni of Islamic Boarding Schools have values and principles regarding service to the *masyāyikh* (Teacher), there are still many alumni who have studied at Islamic Boarding Schools when they return to their hometown feel enough and there is no intention and action to continue to establish friendship and rabithah with their gurus who in fact, with the presence of rabithah and friendship it is an embodiment of gratitude, *ta'dhīm* and sincerity to the *masyāyikh* for everything he has received at the Islamic Boarding School where he gets a knowledge as a provision for life in this world and the provision for the hereafter.

Based on this background, the researcher asked the following research questions: (1) How is the Transformation of the servant values of the Lirboyo Santri Alumni Association (HIMASAL) in Lampung Province? (2) What is the Transaction of the servant values of the Lirboyo Santri Alumni Association (HIMASAL) of Lampung Province? (3) How is the Transinternalization of the servant values of the Lirboyo Santri Alumni Association (HIMASAL) of Lampung Province?.

In this thesis research, the authors used descriptive-qualitative field research with an ethnographic approach. The data sources used include primary sources, namely the results of in-depth interviews with informants, namely all HIMASAL Lampung, as well as observations, interviews and documentation. While the data analysis technique uses data reduction, data presentation and data verification.

The results of the research were: (1) The transformation of the HIMASAL service values in Lampung Province underwent different changes and innovations after the Islamic Boarding School Education was different when they were still at Islamic boarding schools (2) The HIMASAL Lampung Province servant values transactions, namely Motivation, Association and Realization of Implications. (3)

Transinternalization of HIMASAL Lampung Province servant values is by habituation, modeling, connecting, and feeling the need for servant.
